Tour Itinerary

:

Enjoy the scenic drive from Adelaide through the rolling green curves of the Adelaide Hills and arrive at the German Township of Hahndorf. Here you can treat yourself to morning tea at the famous Hahndorf Inn (at your cost). Hahndorf has so many things to see and door including the beautiful Antique Clock Museum, opal shop, one of Australia's best Fudge Shops, and many craft shops, boutiques, bakeries and coffee shops. We spend an hour in the village so there's plenty of time to explore or just sit and watch the world go by!

Travelling onto the coastal town of Goolwa, with a stop at one of South Australia's most popular surfing beaches before we head towards beautiful Victor Harbor, making sure to look out at Basham Beach in case we see a whale! (which is likely during Whale Season!)

Experience the many beautiful elements of the seaside town of Victor Harbor. Visit the Whale Centre and Museum, take the optional choice of seeing Granite Island with its fairy penguins or ride the famous horse-drawn tram. Enjoy a seamless experience with lunch included at Café Primo. We take care of everything, so you can relax and enjoy the day.

Nearby we visit picturesque McLaren Vale, famous as one of Australia's oldest and finest, olive, wine, and almond growing regions. Here you can purchase some locally grown and locally made delights, we especially love visiting the McLaren Vale Chocolate Factory (these purchases at your own expense) and Darenberg Cube (extra charges apply).
