

Bribie Island 4WD Beach & Bunker Tour

📍 Bribie Island, Sunshine Coast Regional, Queensland, 4507, Australia

Tour Facts

Group Size: 12	Language: English
Duration: 4.5	Tour Type: continuous

Tour Itinerary

1 : Start Your Journey: Beach Access Track To Norfolk Lagoon

Your adventure begins as you **hop into a custom-built 4WD van** and head into the **Bribie Island National Park**. Driving through the **beach access track at Woorim**, the journey immediately immerses you in the island's raw, untouched beauty.

First Stop: Norfolk Lagoon

- A **tranquil natural haven**, perfect for photography.
- Enjoy **breathtaking views** of the surrounding bushland and coastal flora.
- Spot **native birds** and other wildlife in this peaceful environment.
- Swimming optional

2 : Welsby Lagoon: A Scenic Coastal Stop

The tour continues **north along Bribie's pristine beaches** to reach **Welsby Lagoon**, an ideal location to:

- **Stretch your legs** and take in the serene atmosphere.
- Snap **stunning landscape photos** of the shimmering water.
- Observe **local birdlife** and coastal ecosystems.

3 : WWII Bunkers At Fort Bribie: A Step Back In Time

From Welsby Lagoon, the adventure leads to **Fort Bribie**, one of **Queensland's significant WWII historical sites**.

Exploring the WWII Bunkers

- Discover **coastal defense structures** built in the **1940s**.
- Learn about the **fort's role in protecting Australia** during wartime.
- Walk through **concrete bunkers and gun emplacements**, slowly being reclaimed by the sea.

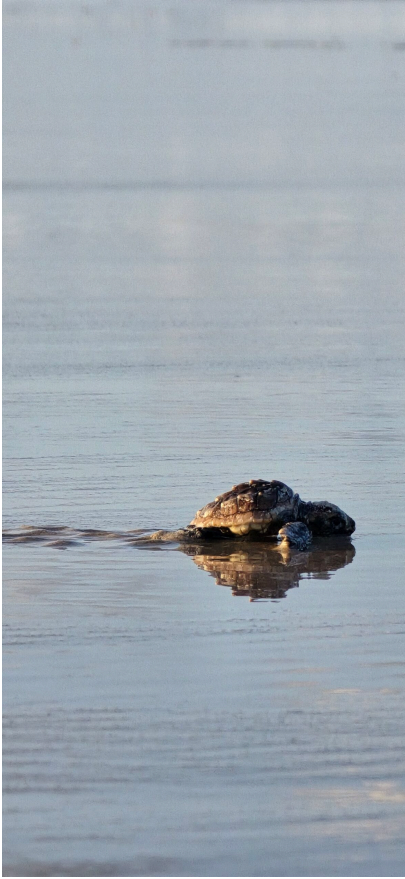

Historical Insights from Your Guide

Your expert guide will share **fascinating stories** about:

- The **soldiers who served at Fort Bribie**.
- The **importance of the bunkers** in Australia's coastal defense.
- How the island's **natural landscape** played a role in military strategy.

4 : Wildlife Watching & Coastal Views On The Return Drive

As the tour begins its return **south along the coastline**, enjoy the spectacular **ocean views** while keeping an eye out for:

Dolphins - Often seen playing in the waves near shore.

Kangaroos - Grazing in open grasslands.

Sea Eagles & Ospreys - Soaring high above.

Goannas - Basking in the sun.

Whales (*Seasonal: August - November*) - Keep an eye out for **humpback whales breaching** as they migrate along the coast.

Baby Turtles (*Seasonal: January - April*) - During nesting season, it is sometimes possible to spot **tiny hatchlings making their way to the ocean**.
