2 : We can:

Discuss whether your catering requirements self-catered or tailored to suit your budget. The standard option includes a charcuterie and dessert cup per guest. Different options can be provided to suit your taste and budget. Alternatively, you are welcome to organise your own catering and the galley kitchen, large fridge, freezer and esky make this very easy. Licensing restrictions do not allow BYO alcohol, but we are happy to stock your guests preferred alcoholic and soft drink options in our licensed bar.

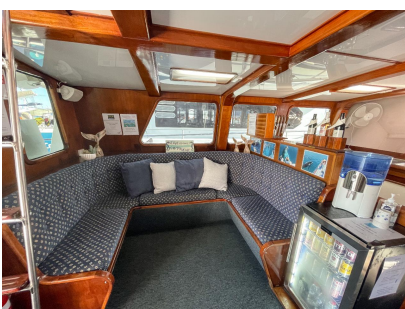

3 : Customer service:

Is an important part of our training and ethos. We will do our very best to accommodate any special requests. This might be helping to put up chosen decorations or playing the 'embarrassing' birthday video and you can tailor your soundscape for the trip by bluetoothing your own playlist or booking a small band or DJ.

Entertainment extras include stopping for a swim and snorkel, beach time and using our stinger proof pool to splash about in. Additional crew will be required to supervise these activities.

4 : All captains:

Are fully qualified and experienced. This includes Mark Cooper, owner-operator, who has many years of experience as a captain for fun as well as commercially. He sailed a catamaran from Tahiti and down the East Coast of Australia. He has captained delivery of Sydney to Hobart yachts, and he was on the helm for three exciting Sydney to Hobart races. He has also participated in the gruelling Clipper Round the World yacht race. Safety is his highest priority and during his time as a skipper for NSW Marine Rescue for the last three years and crew

for a further five years, he has rescued many boats and saved lives on the water.
