Tour Itinerary

1 : Even

If you aren't swimming, you can still watch and even **listen** in on the dolphins using our hydrophone (underwater microphone) giving you an insight into their amazing underwater world.

2 : Enjoy

A marine wildlife experience along the stunning North Coast of Kangaroo Island. See seals, sea eagles and osprey and view ancient fossil beds. Take the opportunity to swim with wild bottle-nose dolphins in shallow and protected waters in an experience that will take your breath away. Tea, coffee and biscuits are provided so please bring along any snacks you may require. Tour includes use of snorkels and wet suits, and is great fun for the whole family!

- Explore the magnificent North Coast as we go in search of our wild dolphin pods, seals and sea eagles
- Pass through the 540 million year old fossil bed
- Cruise along white sandy beaches
- Get the chance to swim and play around with the dolphins
