Tour Itinerary

Lets Go : Day 1

Depart Brisbane on this fully guided off-road adventure, and eco-experience on Moreton Island (Mulgumpin). Travel across Moreton Bay Marine Park on the luxury Micat ferry. We take time to travel the west coast of Moreton Island (Mulgumpin). Spot dolphins, fish and sometimes whales, dugong and turtles. Arrive Moreton Island's west coast and Sandy Beach - the world's third largest sand island, at the famous Tangalooma Shipwrecks - your snorkeling and kayaking playground. We have plenty of time to explorer the marine park with all gear provided

4WD onto the beach and through forest to The Desert sand hills for sand boarding action. Spend the morning on the slopes, fully guided with all equipment supplied. This is great fun, both gentle and steep sand dunes for all ages.

After lunch & a brief relax, enjoy a guided snorkel tour of the Tangalooma Shipwrecks. Safe adventure snorkel with professional guide, with all snorkeling gear provided (fins, mask, snorkel). This snorkel experience will allow you to see coral, fish, turtle and the shipwreck under water. Kayak the Shipwrecks and spend time exploring many species of fish, turtles and other marine wildlife.

Settle into your campsite and enjoy entree, BBQ dinner and cold drinks beside the campfire. After tea, try moonlight beach walk.

Are you Up yet? : Day 2

Start with a tropical breakfast overlooking beach. Take time for a beach walk or hike. 4WD over the highest sand range to remote eastern surf beach. Take a short coastal forest walk to the sand filtered fresh waters of Blue Lagoon (window lake). Relax, swim, photo, snorkel.

Drive to Aboriginal midden site and ancient fish trap and on to wild Cape Moreton lighthouse for lunch while taking in the breathtaking views to Flinders Reef. Great land based whale watching, dolphins, turtles and rays. Explore Honeymoon Bay Beach and Champagne Pools. Spend the afternoon enjoying the beaches, and lagoons, with great walks to First Bay, North Point, Camp grounds, Lighthouse, Yellow Patch and fresh water lagoons.

Return to Brisbane 5pm.
