## Tour Itinerary

### 1 : First of all

Bear in mind that you are going to see one of the most spectacular natural landscapes on the planet!

Our day starts early as we want to get to the attractions before the crowds. The departing point is at 6:50 am **from State Theatre on St Kilda Road**, which is 3 minutes walk from Flinders St station. If you prefer hotel pickup/drop-off and a more spacious minibus, please look at the [Premium](#) version of this same tour.

## 2 : The greatest thing

About this tour is **it goes in reverse** of the typical Great Ocean Road Tours: On this tour, the guide will drive inland in the morning, arrive at the attractions before all the crowds get there, and comes back through the world-famous coastline, the Great Ocean Rd. The first stop will be at Colac where you can get in a good stretch and enjoy a coffee (at your own expense).

## 3 : From there

You go straight to the first attraction: **the 12 Apostles!** And this internationally famous magnificent limestone formations' lookouts will not be crowded with people. It's awesome.

## 4 : On this tour

You are guaranteed to visit **at least four awe-inspiring attractions**, Gibson Steps, Loch Ard Gorge, The Razorback, and of course, the 12 Apostles.

## 5 : Lunch stop

(at your own expense) will be at the lovely town of Apollo Bay or Port Campbell, if you fancy it, you can go for a little walk to the enclosed beach for some amazing pictures!

## 6 : Depart:

When you depart the 12 Apostles area you will get to drive through the Great Otway National Park Rainforest where you will feel really connected to nature in a **20 minutes rainforest walk**, to witness some of Australia's most amazing rainforest scenery.6

## 7 : Time To Head Home

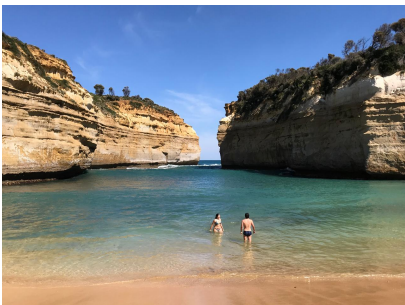

On your way back you will travel along the Great Ocean Road coastline. Through Apollo Bay, your guide will share some interesting stories and facts about the city while on your way to Kenneth River.

In Kenneth River, you will hopefully encounter some **cute koalas** and colorful parrots, make sure you have your camera handy!

The final stop will be at the quaint coastal town of Lorne for another epic beachfront view.

The expected arrival time back to Melbourne is around 7 pm.
