continuous

Tour Itinerary

1 : Bus Departs

The minibus departs from a central location in Brisbane CBD, and after a short 45 minutes driving to the ferry port, it's time for breakfast (own expenses) either at the port or on the ferry during the crossing. It's your choice. And we love giving our customers multiple choices ?.

2 : First Stop

After arriving at this Paradise Island, the first stop will be at **Brown Lake**, and on the way there your tour guide will talk about the island and the historic and cultural importance of the Quandamooka People. Get refreshed and reenergized at the fresh waters of this beautiful lake.

3 : From There

After a quick stop at **Myora Springs**, you go straight to the Northwest side of the island, a perfect lookout spot to take pictures and go for a walk at **Cylinder Beach**.

And then, the big attraction of the day: **The Gorge Walk**. On this 40-45 minutes walk, you will enjoy the amazing views of the Coral Sea at the South Pacific Ocean, and it's incredibly rich marine life: great chances to spot manta rays, turtles, dolphins, and much more.

4 : Back From Walk

Amazed by the experience, it's time for lunch at **Point Lookout**. As we like giving our travelers multiple choices, you can either bring your own lunch or buy a takeaway and enjoy a picnic with amazing views.

5 : It's Then Time

To relax at the beach, so the tour will be headed to **Amity Point**. Your tour guide will go for a walk (secret place) to search for koalas in the wild and, if koalas-spotting is not your thing, again you have options: enjoy even more time at the beach.

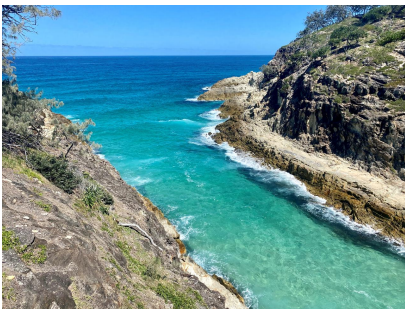

6 : After

This amazing day, it's time to take the ferry back to the mainland, expected time of arrival in Brisbane is around 5:30 pm.

This tour focuses on creating remarkable memories, come and join in and see what all the fuss is about!
