5 : More

Discover the Great Barrier Reef with Scuba IQ, where privately guided dive trips and highly experienced instructors set us apart. Avoid the crowds and explore this UNESCO World Heritage Site at your own pace, guided by experts with over 20 years of instructor experience each.

Our bespoke dive excursions offer a personalised and immersive way to experience the reef's vibrant marine life. From pristine coral gardens to encounters with majestic sea turtles and exotic fish, every dive is tailored to reveal the reef's hidden treasures while prioritising your safety and enjoyment.

Designed for the absolute beginner, our trips provide flexibility to match your skills and interests. Nervous to try diving for the first time? Having a private guide means we can spend as much time as you need to get you comfortable and have an amazing day!
