Bring your group to Sobels Winery for a truly memorable Large Group Wine Tasting experience. Perfect for groups of 15 or more, this tasting offers a chance to explore an extensive range of wines, from dry and sweeter-style whites and rosés to classic reds, and luscious dessert and fortified wines. Your group will be seated in our covered outdoor area, providing a comfortable and relaxed environment for enjoying the best of what Sobels has to offer.

For nearly 30 years, Sobels Wines has welcomed visitors to our unique and iconic "tree house" cellar door, located in the heart of the Hunter Valley. Our collection includes everything from classic Sparkling wines, Moscato, Semillon, and Chardonnay to the ever-popular Verdelho, two styles of Rosé, as well as rich Shiraz, Cabernet, and Fortifieds.

At Sobels, we believe wine tasting should be a fun and relaxed experience, led by our friendly and knowledgeable staff. We are here to help your group discover new favourites and enjoy the relaxed, welcoming atmosphere we're known for.
